

Hi everyone

Just a reminder about our next CPA evening, it is on Thursday at Berwick St Church Hall, corner of Berwick and Cranford Streets, St. Albans, starting at 7.15pm. Christine Abernethy will be our speaker and she has asked to have the following information passed on to you. Look forward to seeing you all. Jayne

Hello all pastelists,

In the next meeting I plan to facilitate a session based on an exercise I did in a workshop with Gayle Boyle an Associate member of PANZ. (Pastel Artists of New Zealand)

"Abstract designs in nature"

Please bring,

Pastels, paper or ground to work on, sketch paper.

Masking tape, reference photos or magazine photo of a flowers/ foliage.

This is an exercise, so come and have fun.

At the end of the session we will share and show our results.

See you there Christine.
